Contributions to RPAC are voluntary and used for political purposes. The amount suggested is merely a guideline and you may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of REALTORS® or any of its state associations or local boards will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by the state PAC to support state and local political candidates. 30% of the balance is sent to National RPAC to support Federal candidates and is charged against your limits under 2 U.S.C. 441A. Payments to your trade association are not deductible as charitable contributions for Federal income tax purposes. However, dues payments may be deductible by members as ordinary and necessary business expense with the exception of \$50.00 for NAR, \$11.00 for PAR and \$8.34 for SWRA per IRS lobbying disallowance rules.
